DOWNTOWN COURTENAY

Stokefest is an annual festival that offers a unique opportunity for our ski and snowboard community to come together, stoke the fire, and celebrate Mother Nature's return of winter.

Over two days in the heart of the Comox Valley, we'll celebrate our epic colossal of artists, innovators, athletes, and cleverly homeless—the travel-savvy tree-huggers, trend-setters, and trend-bucking professional fun-havers.

Brought to you by ROAM Media Inc. (proud creators of the CV Collective and Strathcona Collective magazines), and in collaboration with our local Comox Valley community and YOU, we will come together, get stoked, and celebrate Mother Nature's return of winter.
